we believe that it is in our guest's and member's best interest that

we do NOT hold this year's National.

We understand that the National is the highlight of our year and

many look forward to it but we will work hard with the MKII and

105E clubs to make sure that the 2021 National Weekend

is better than ever, and we can't wait to see you all and your cars.

We thank you for your understanding

and wish you all good health and please stay safe.
